For more detail information please read or visit: <https://en.wikipedia.org/wiki/Tetragrammaton>

In a lay mans' term, the Tetragrammaton is the process of derivation made by humans, not taught by the Bible and obviously not taught by G-d. This process was applied for the NAME of G-d and they took it from the "Latin" letters "JHVH" or "YHWH". Basically the names; Jehovah & Yahweh were derived from these letters.

These names were propagated throughout the history, either through tradition, culture or by force, so even to all the versions of the Bibles and as the enemy expected and desired to:

1. Blasphemed the Name of G-d, the Name of the Creator, the Name of G-d Almighty, everyday.
2. Brings Confusion & Arrogance to the whole Creation on "What Name?".
3. Make many religions as much as he can based on these False Names!

Please be reminded on all 118 pages of this book that there is ONLY ONE NAME GIVEN and you ought to know, love, serve, fear and respect is the Name of my Lord Jesus Christ!

**Romans 10:4** For **Christ** is the END of the Law for Righteousness to everyone that believeth.

My Lord is the Culmination, the Summation, the ALL in ALL of every Law made by God!

**2Corinthians 13:14** The Grace of the **Lord Jesus Christ**, and the Love of God, and the Communion of the Holy Ghost, be with you all. Amen.

My Lord is the Grace giver, the Grace that fulfills the Law & made us Righteous, anyone who believes.

**Romans 14:11** For it is written, As I live, saith the Lord, every knee shall bow to Me, and every tongue shall confess to God.

**Philippians 2:10** That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth;

**Philippians 2:11** And that every tongue should confess that **Jesus Christ** is Lord, to the glory of God the Father.

## THE NATURE OF "INCARNATE"

## WORLD Definition: INCARNATE

(Etymology)

From a Latin Word "INCARNATUS, INCARNARE" associated or a derived word/name from the root word "Carneia" feast in honor of Carneus, the prophet dedicated to Apollo; Carneus son of Zeus & Europa; he is a "Demi-god" half god, half man – even the name Carneus means - god made flesh, god in human form.

CARNEIA is a feast to sacrifice to "Apollo [Carneus]" to appease Apollo's anger when they killed Carneus – also labeled as the "god of flock or herd". For further details of this "Greek Mythology Story" please read below.

Carneia, important religious festival among ancient Dorian-speaking Greeks, held in the month of Karneios (*roughly August*). The name is connected with Karnos, or Karneios (probably meaning "ram"), said to have been a favourite of the god Apollo, unjustly killed by the descendants of Heracles and therefore commemorated to appease the god's anger; perhaps he was an old god of fertility displaced by Apollo.

Five young men called Karneatai were chosen out of each tribe; one man, decked with garlands, ran away, and the rest followed him. The person whom they chased was probably the temporary INCARNATION of some spirit of vegetation; to catch him perhaps signified that fertility was not allowed to go away but was secured, to be used for the next year's crops.

[Mythology] The Carneia appears to have been at once agrarian, military and piacular (*making or requiring atonement*) in character. In the last aspect it is supposed to commemorate the death of Carnus, an Acarnanian seer and favourite of Apollo, who, being suspected of espionage, was slain by one of the Heraclidae during the passage of the Dorians from Naupactus to Peloponnesus. By way of punishment, Apollo visited the army with a pestilence, which only ceased after the institution of the Carneia.

The tradition is probably intended to explain the sacrifice of an animal (*perhaps a later substitute for a human being sacrifice*) as the representative of the god. The agrarian and military sides of the festival are clearly distinguished.

## CARNUS

In Greek mythology, Carnus (also spelled Carneus and Carneius) was a seer from Acarnania. According to the poet Praxilla, he was a son of Zeus and Europe. He was reared by Leto and Apollo, and is also known to have been a lover of Apollo.

Carnus accompanied the Heracleidae, and was killed by Hippotes with a spear for giving obscure prophecies. Apollo then struck the Dorians with plague; having consulted an oracle, they banished Hippotes from their camp and established a cult of Apollo Carneius to propitiate the god.

thus the corruption of the human heart is established, and Pelagianism ruined. Urged by necessity therefore, they laboured not only to neutralize the force of the text, but to draw from it an authority in favour of their system. The way in which they went to work was this : they endeavoured to show that there is no difference whatever between our flesh and that of Christ,—that his flesh was just such as ours : and then, as it was universally admitted by all, whether Catholics or heretics,<sup>1</sup> that the flesh of Christ was not, and could not possibly be sinful, consequently our flesh, which is the same as his, is not sinful ; and the doctrine of original sin, and our consequent dependence upon the grace of God for all good, cannot be true. This was no doubt also a sufficiently ingenious perversion of the text, though far inferior in that respect, to the comment of the Gnostics. Their reasonings were met by *Augustine*, the first, and, as far as my experience goes, the ablest opponent of that pernicious system. I cannot think that I am over stating the matter when I say, that he has quoted this text a hundred times, and uniformly understands it in its simple literal meaning. The conclusion which he

In conjunction with the word INCARNATE, one of the Roman-Ottoman Empire's plot to destroy and blasphemed the Christ. They have concocted this teaching of incarnate wherein they have it all along from the Greeks (*for more details about Greco-Roman Empire, Please Read my Book titled "The Roman-Ottoman Empire"*) in their mythology of Carneus. This the very culture and tradition of the Roman-Ottoman Empire that they are forcefully shoving as they fulfill of their conquest to conquer the world, and bring it to her knees, makes it upside-down.

And so the doctrine of "Incarnate" was embraced and accepted by the world & that is why they made the version of their "Jesus as 100% human & 100% God" all at the same time. Sad to say that "even the very elect" might be deceived (*if it is not the work of the Holy Ghost these things would not be exposed and known*). Almost everyone blindly believed this doctrine.

Another big word that they have used and violated from the Word of God is the word "PROPITIATION", in this modern day time, the Roman-Ottoman Empire used "Propitiation" in connection of incarnate, to pattern from the Word of God about the "Lamb of god" that can take away the wrath and curse of their god-Apollo, a Very Perverted and Extremely Absurd falsehood, "anally raped" doctrine from the Roman-Ottoman Empire to this Adulterated World.

Thirdly, as you can read from Reverend Marcus Dods' book, titled; "The Incarnation of the Eternal Word", Rev. Dods, I believe is one of the Roman Catholic Scholars that depends (*at the least from the page I have highlighted his thesis & arguments*) these doctrines:

- The Version of their Jesus as the god Incarnate, therefore 100% man and 100% God all at the same time.
- And in connection of the doctrine of their Original Sin & the Sinful Nature of Humans.

## WORD Definition: MANIFEST

**John 1:31** And I knew Him not: But that He should be made MANIFEST to Israel, therefore am I come baptizing with water.

**John 14:21** He that hath My commandments, and keepeth them, he it is that loveth Me: and he that loveth me shall be Loved of my Father, and I will love him, and will MANIFEST Myself to him.

**Matthew 11:27** All things are delivered unto Me of My Father: and no man knoweth the Son, but the Father; neither knoweth any man the Father, save the Son, and he to whomsoever the Son will REVEAL him.

**Luke 10:22** All things are delivered to Me of My Father: and no man knoweth who the Son is, but the Father; and who the Father is, but the Son, and he to whom the Son will REVEAL him.

Moses had a close encounter with the "I AM", and that encounter changed the course of his life forever. For Moses humbled, listened & obeyed, rather making his own speculation and interpretation. He could have used that encounter as a propaganda to make himself famous and rule over them.

Peter had a close encounter with the "Christ" of God, once again, he and the others humbled, listened and obeyed, rather than making their own speculation and interpretation & base on hear say. Now I undertand why my Lord Jesus Christ told them not to tell anyone. Because it became basic to human nature to use such encounter for merchandising, gain power and popularity.

Now the Ecclesia have the close encounter with "God" in the person of the Holy Ghost. What do we need to do (if we want to change the course of our lives)? Is to humble, listen and obey the Holy Ghost.

**Romans 8:14** For as many as are LED by the Spirit of God, they are the sons of God. My Lord Jesus Christ said:

**John 10:27** My sheep HEAR my voice, and I know them, and they FOLLOW me:

This book, "I AM: The Christ - Jesus", will tell us that He is not what we want Him to be, but rather what He wants you to be! That is why He is the "I AM that I AM" (*No one can change that and I cannot even deny it: thus saith the Lord*)!
